

Three-Day Upscale Yard Sale

Thursday, May 13

Friday, May 14

Saturday, May 15

The Yard Sale provides those doing spring house cleaning, serious downsizing, or simple decluttering an opportunity to find new homes for once-loved but no longer needed items. It will also offer shoppers a place to find unique gifts or that thing that you didn't realize you couldn't live without.

Go through your closets, cupboards, drawers, and jewelry boxes, and put pieces aside for the sale. Watch for further details and add the dates to your calendar!
